

# Housing e-Academy

## Membership Packages

### Gold Membership

Gold membership is perfect for organisations who want to provide a wide range of online courses for their staff. You get the option of having a complex LMS structure to make reports more specific so you can track learner progress across different structural criteria.

### Membership Benefits

- Quarterly issue of Hou-Zine
- Involvement in development of courses
- Free course updates in line with legislative/regulatory changes
- Regular technical bulletin
- Monthly e-Bulletin
- Help desk support
- Discounts on our products
- Regular webinars
- Dedicated Account Manager
- 6 month membership review
- 9 month membership review
- Quarterly feedback report
- Internal marketing pack

### Gold Membership Features:

- Choice of 12 courses for all your learners from our Membership Course List
- A Housing e-Academy branded LMS
- Administration access to your Organisation on the LMS enabling you to access reporting features, view your courses and view your learner records
- Onsite implementation training
- e-Champion Training

### Learning Management System Structure:

At Gold level you are entitled to:

- An unlimited number of learner records
- A dual layer structure of up to 5 directorates and 20 departments
- Up to a maximum of 12 groups

e.g.

### Courses
