

Housing e-Academy

Membership Packages

Silver Membership

Silver membership keeps the simplicity of the Bronze package but with a wider range of courses included. You get the added benefit of a larger structure framework for organising your learners. This package is great for organisations that are new to e-learning but are keen to implement a wide variety of courses.

Silver Membership Features:

- Choice of 8 courses for all your learners from our Membership Course List
- A Housing e-Academy branded LMS
- Administration Access to your Organisation on the LMS enabling you to access reporting features, view your modules and view your learner records
- Onsite implementation training
- e-Champion Training

Membership Benefits

- Quarterly issue of Hou-Zine
- Involvement in development of courses
- Free course updates in line with legislative/regulatory changes
- Regular technical bulletin
- Monthly e-Bulletin
- Help desk support
- Discounts on our products
- Regular webinars
- Dedicated Account Manager
- 6 month membership review
- 9 month membership review
- Quarterly feedback report
- Internal marketing pack

Learning Management System Structure:

At Silver level you are entitled to:

- An unlimited number of learner records
- A single layer structure of up to 20 departments
- Up to a maximum of 8 groups
